

## FCOA MEMBER #5500 ~~ MASON

It was mid-November 2017 when FCOA applications arrived in our mail-box that were sent to me by Jonathan Kahn for his 3 nephews. Uncle Jon has been a member of Rio Grande Corvette Club in the Roadrunner Region for one year. The applications arrived just in time for Mason to be assigned FCOA #5500. His brothers are Connor (FCOA #5498) and Carver FCOA #5499).

Mason is in 4th grade and by the time you get this issue he will have celebrated his 10th birthday. His favorite subject is Social Studies but he dreads Mathematics. His favorite color is **orange**. He enjoys basketball, Legos and action figures. He also likes to draw plus learning and performing magic. Mason has fun with model cars and spending time with Uncle Jon talking about Corvettes and the family Camaro. They'll have a lot to talk about when his uncle takes his 1998 Light Pewter Metallic targa top Vette coupe on his planned travels to all contiguous USA states. Sure sounds like a lot of fun!

Many times people ask me how I "pick" the 100th member. In 1999 I started "honoring" every 100th FCOA member in *Blue Bars*, on FCOA's website and with some extra things in their new FCOA member welcome packet. It's really just pure luck which FCOA member gets a 100th number. When I know I'm close to one of the 100th FCOA membership numbers, Gary and I are really very careful that the mail is brought in exactly the way it is in the mailbox and I open them in the order they are in the stack and then the envelope.

**Congratulations, Mason, for being FCOA member #5500!**
