

Blue Bars

ADVERTISING OPPORTUNITIES LIKE NONE OTHER!

(Revised 1/28/09)

The National Council of Corvette Clubs is offering advertising opportunities in its quarterly publication, *Blue Bars*, to Corvette-related businesses, clubs, and NCCC Regions. Why should you consider advertising in this publication?

- Favorable rates
- Official publication of the largest single car club of its kind in the world
- Average circulation in excess of 12,000 copies

The interests of our membership are varied – competition, car shows, parades, charitable events, and numerous social events, all of which are sponsored by our clubs. As the interests of our membership are so varied, so are their needs for Corvette-related products, services, and activities.

Don't miss this great opportunity to market your products, services, or events to Corvette enthusiasts across the country.
