

NATIONAL COUNCIL OF CORVETTE CLUBS, INC.

CHARITY COMMITTEE

In an effort to give credit to your club, please list all contributions made by your club on the form below. We realize that all contributions are not just in the form of money. Therefore we would also like to know when your club performs charitable activities which include events where members volunteer their time. Please include the year that the events took place. This will be an ongoing record of activities that can be submitted as they happen.

Send it directly to:
NCCC Director of Charity
