

NCCC GRANTS and HARDSHIP FUND

Grants and Hardship program was established in May 1990

This NCCC program is here to help NCCC members in times of need or hardship.

To receive assistance from NCCC, all a Member needs to do is contact your club Governor, a National or Regional Officer, or the Director of Charity. A Member may contact the Director for assisting someone else or the Member in need can contact the Director.

The Member's name and NCCC number is required and an explanation of the need or hardship. The Director of Charity has the final decision as to the amount of assistance given to the requested Member. A contact person in the Member's club needs to be submitted to confirm the request.

Funds to support the Grants and Hardship fund are supported from the 50/50 raffle held at the NCCC Governor meetings, the \$1.00 raffle held at the annual NCCC Convention, Club donations, NCCC Sponsors and Scholarships.

All requests need to be sent to:

**NCCC Director of Charity
1945 Scottsville Rd, B2 #267
Bowling Green, KY 42104**

Thank you and NCCC is here if needed for assistance.
