

# Club Opportunities

1. HIS (Hawaiian Island Shine) will provide a trackable personalized link for each corvette club giving members 20% discount off our retail online catalog.
2. HIS will also donate 20% of the net sale to the club's charity.
3. Club's President will be given a coupon code to use to order samples/gifts for events/monthly meetings at a 50% discounted rate.
4. HIS will provide Product giveaways at the club's annual car show. Amount determined by product purchased thru each club's link. 3 purchases would initiate.
5. HIS will provide Brochures for each event promoting each club individually. President's request will pick-up at local Kinko's.
6. The 20% discount will also apply to bulk catalog for those interested in bulk purchases but this 20% will be all that will apply to this catalog.

## Long-term:

1. HIS would like to advertise in club newsletters. Some are at no cost; others that expect payments for such an ad will come later.
2. HIS would like to give a special discount to winners at the events, (50% for 1-year) club Presidents can request this if they like.
3. HIS will be providing annual giveaways such as round-trip tickets for 2 to Hawaii once sales merit such a giveaway. This will probably happen in 2012.
