

FCOA MEMBER #1200 ~ RYAN

In October 1999, 9 year old Ryan from Texas became FCOA membership #1200! Ryan's Dad, David, had recently joined Anderson Corvette Assn. in the Indiana Region and was already enjoying Club activities including Speed Events. Wanting to share some of his Corvette enthusiasm and fun with Ryan, David quickly signed him up as a FCOA member when he got the application in his new member packet from NCCC.

Ryan is a 4th grade Honor Student at Derry Elementary in Port Isabel where his favorite subject is Math. Basketball is his favorite sport and he's busy with many Cub Scout activities. For fun, Ryan collects Hot Wheels® and enjoys drawing. Model cars and trains as well as Legos® are also favorites of his.

Pictured with Ryan by their Dad's Vette is younger sister Loren who is also a new member of FCOA. Both kids will be practicing "Save the Wave" techniques when riding in Dad's Fawn Beige and White 1961 4-speed with a red interior.

Congratulations, Ryan, for being assigned FCOA membership #1200!
