

FCOA MEMBER #1600 ~ HEATHER

Heather's application for FCOA membership came just at the right time in February 2001 for her to be assigned FCOA membership #1600! She is the first FCOA member in the East Region to be honored with a "special" number! By the time you read this she'll have celebrated her 7th birthday and is looking forward to starting 2nd grade. Heather keeps herself busy riding her Barbie Corvette, reading books and playing with Barbies & her PlayStation. She also loves singing to her favorite CDs of Britney Spears and 'NYSNC. Check out the T-shirt she's wearing in this picture ~ it says, "My Grandma Drives a Vette"! Sometimes Heather wears it to school and she gets the thumbs-up from her classmates when her Grandma picks her up. The other kids always yell "Cool Vette!"

Heather's favorite color is blue ~ no wonder she's so crazy about Grandma's 1988 Vette! Her Grandma, Kathy Shaffer, has been a member of York County Corvette Club since 1995. YCCC was founded in 1968 and has a variety of activities to keep its 120+ members busy! YCCC is well-known for shows like Corvettes at Carlisle, the Harrisburg Auto Show & Vettes at the Mall as well as its charity work with "Garret's Hope", a liver transplant fund. Heather enjoys participating in YCCC activities and especially likes the shows. At a recent show, she decided that she wants a 1969 gold Vette convertible "when she grows up"! She'll know how to keep it in "show" condition since her Grandma has a detailing business and Heather is learning all the proper ways to clean a Vette for shows and other activities.

Congratulations, Heather, for being FCOA member #1600!
