

FCOA MEMBER #1700 ~~ NIKI

Niki became a member of FCOA in May 2001 when the application sent in by her Grandma found its way to FCOA 's mailbox. Her Grandma, Linda Saldana, is a Charter Member of Las Vegas Corvette Association in the West Coast Region. Linda has been a member of NCCC for 7 years.

As with most girls her age, Niki loves to go shopping and hang out with her friends. Dirt bikes, ATVs and racing are among her other favorite things. With her high grade-point-average, this 8th grade student looks forward to her Math classes but dreads Social Studies. Niki's favorite Corvette activity is California's annual Big Bear Bash. Niki thinks it's pretty cool to have a Grandma who has Harleys and Vettes.

When Niki visits her Grandma, Corvettes are definitely "in the picture" for her. Since Niki's favorite color is blue, I wonder if she has her eye on one of the new Electron Blue Vettes! Maybe that's what she's thinking about while she's leaning on her Grandma's 1966 coupe. This red beauty is equipped with a 325/350 and air conditioning for that hot desert weather. Sharing the same garage with the '66 is a 1981 Frost Beige coupe with Cinnabar interior.

Congratulations, Niki, for being FCOA member #1700!
