

FCOA MEMBER #2200 ~~ CAITLIN

In May 2003 Caitlin's application for FCOA membership found its way to FCOA's Wisconsin mailbox just in time for her to be assigned FCOA #2200. Caitlin is the first FCOA member in NCCC's Florida Region to be honored with a "special" membership number! Her "Nene" aka Grandma, Nancy, joined Cape Kennedy Corvette Club last year whereas Nancy's partner Gary has been a member for 27 years.

Caitlin attends pre-Kindergarten 3 where she enjoys everything that has to do with art but dreads it when she's reminded that it's naptime. This active 3 1/2 year old likes to spend time on her swing and riding her bike. She really likes gymnastics and entertains everyone with her singing. Her favorite color? Red, of course!

As you can see, Nene's Vette is a 2000 red convertible that Caitlin enjoys riding in. Not a first-time Vette owner, she previously owned a '63, restored a '64 and then bought a '70. Gary has had over 38 Corvettes in his lifetime and restored many more for others. He currently owns a '57 red convertible that he spent 3 years restoring. Seems like this family has the old and new of it! Caitlin already is thinking that her first car should be (what else?) a red Corvette in 2015 when she can start driving!

Congratulations, Caitlin, for being FCOA member #2200!
