

FCOA MEMBER #2700 ~~ MAX

Max's Grandpa is his best friend and, since best friends want to share everything, "Grampy" decided to sign Max up for membership in FCOA. When Max's application from Grampy arrived in FCOA's mailbox, it was assigned FCOA #2700! Max's one-year old sister Grace is also a new member of FCOA. Grampy, also known as Barry, is a fairly-new NCCC member who belongs to Corvette Annapolis in the East Region.

Max likes to visit Grampy and Grammy's house whenever he can. He'll always jump at a chance to go for a ride in Grampy's Corvette. He enjoys going to car shows, drag races and the B&O Train Museum with his best friend. This 6-year old is already a NASCAR fan and has a great time driving Grampy's electric racecar. Max enjoys working with his hands and fixing things but don't ask him to work on that awful stuff called homework or fix a yucky peanut butter sandwich! Max tried fixing a vacuum cleaner when he was two years old and at age three wanted to know everything about trucks.

NASCAR and Vettes are what Max is most interested in right now so Grampy is teaching him everything he knows about Corvettes and racing. Grampy is an expert in the field of Corvettes since he first owned a 1958 white Vette with silver coves and today owns a 2001 Z06 supercharged by Lingenfelter with custom wheels by Ronal. Even though his favorite color is blue, Max sure doesn't mind sitting in Grampy's Torch Red Z06 ~ in this picture he's imagining what it would be like getting ready to make a run at his favorite drag-strip, Capitol Raceway.

Congratulations, Max, for being FCOA member #2700!
