

FCOA MEMBER #3100 ~~ DREW

When Vic and Sara sent in the application for their grandson Drew to join FCOA, they had no idea that it would arrive in FCOA's mailbox just in time for him to be FCOA member #3100! This is the first time that the Rocky Mountain Region has had one of FCOA's 100th members! Drew's grandparents have been members of NCCC and Electric City Corvette Club in Montana for a little over a year.

As you can see, 18-month old Drew is already enjoying riding in a Vette! He got his pedal Corvette for his first birthday along with his first electric quad. His favorite thing to do is to ride one or the other in his mom's house. He also really enjoys watching Moto X racing. He loves his dad's quad and grandpa's Harley Davidson motorcycle. When he's near either one, all he says is "Vroom, vroom". Drew has a good start for appreciating "big boy" toys with dad's quad and grandpa & grandma's Corvette. As you can see by the pictures, he's also taken a liking to grandpa's Harley! His favorite word is "airplane" but he sure doesn't like to hear the words "macaroni & cheese for dinner".

Drew likes being his dad's shadow. He loves taking his pedal car apart so dad can put it back together again. All he needs is his own tools to do his own work without dad's tools ~ for sure Grandpa will help out there!

Drew's grandparents own a 2000 Torch Red coupe. It's their first Corvette and they are thoroughly enjoying it. At the 2005 Montana State Corvette Convention, his grandma raced for the first time ever and took 3rd place in her autocross class.

Congratulations, Drew, for being FCOA member #3100!
