

FCOA MEMBER #3500 ~ ALEXIS

When Jeannie and Mike registered their youngest daughter for FCOA membership, they were surprised that two-year-old Alexis ("Lexi") became the 3500th member of FCOA. Lexi's five-year-old sister Ashley became a FCOA member in 2006 as #3272. Her parents joined Sonoran Desert Corvettes a little over a year ago and have been NCCC members for several years. Her mom is currently a Board Member for the club and really enjoys all the terrific people in the Corvette world.

Like many girls her age, Lexi's favorite color is purple. Among her favorite things are bubbles and a stuffed animal named "Kitty". Lexi really likes playing outside especially when she can ride in Ashley's battery-powered Corvette!

Lexi and Ashley are pictured by mom's 2005 Victory Red Vette with its chrome wheels and Borla Exhaust. Lexi likes riding in the Vette and has been to one Corvette Club "Mystery Meal". Her dad has a classic Mustang so the whole family has fun with "which is the best car"! Lexi is too young to know what kind of car she'll prefer later but rumor has it that her mom is working on swaying the girls her way!

Congratulations, Lexi, for being FCOA member #3500!
