

FCOA MEMBER #4300 ~~ DALTON

The Governor of Nashville Corvette Club, Ron Jarrell, has been on a huge campaign to get his club members to sign up kids for FCOA membership. He didn't realize when he mailed all the applications from NCC's March meeting that one of those kids would be assigned FCOA #4300! Dalton's paternal grandparents, Terry and Kathy, have been members of NCC for 3 years.

10-year old Dalton is in 4th grade where he enjoys his math and science classes but not social studies. As an Honor Student, he's been on the Principal's List for the entire school year. When Dalton isn't playing baseball or basketball, one of his favorite things to do is to go fishing.

Dalton enjoys participating in car shows with both sets of grandparents. He also enjoys attending some of the local Cruise-Ins, when his busy ball schedule allows it. Dalton is shown in this picture with Terry and Kathy's 2004 Millennium Yellow Z06. His maternal grandparents own a blue 1971 Corvette.

Dalton enjoys working in the yard with his mom & dad and is helping with the restoration of their '51 Chevy pickup. Dalton also wants to restore his great-great grandfather's 1968 Chevy pickup so he can drive it when he turns 16! Besides looking forward to that, he's happily anticipating the arrival of his baby sister later this summer.

Congratulations, Dalton, for being FCOA member #4300!
