2006 NCCC Convention Bid

August 5 – 11

Where It Can Be All About You

For the sixth time in the history of the organization, the Florida Region asks the members of NCCC to favorably consider our bid for the NCCC Convention in 2006. Briefly, it would be held August 5 – 11 in Orlando, one of the largest, most popular, and exciting vacation spots in the world.

But before we get into the details of the proposal, we want to tell you about the philosophy behind the plans. In true southern hospitality, we want this convention to reflect the same quality and sophistication that you use when selecting entertainment and lodging for your vacations. And, since hospitality is not complete without eating, we would include as many food functions as possible in the package.

Host Hotel

The host hotel would be the Wyndham Palace Resort and Spa in the Walt Disney World® Resort. This is an official full-service hotel in the Downtown Disney Resort area. As a guest, you can enjoy special privileges like transportation to the different theme parks within Walt Disney, meals with Disney characters, and a European-style spa. Downtown Disney, right across the street from the hotel, is ideal for shopping, entertainment, and exciting nightlife. And, then there are literally hundreds of other attractions in the Orlando area.

Competition

Big-name tracks are the norm for NCCC Conventions, and this one would be no different. The high-speed autocross would be held at Sebring International Speedway, America's oldest and most famous road racing track. Yes, NCCC conventions have been there before, but this time, we would race on the fabled 12-hour endurance circuit. This 3.7-mile course features 17 turns and two of the longest, fastest straight-aways you will ever race. The low-speed event would be held in a spacious area elsewhere on the airport property, perhaps on the same real estate used by the renowned Panoz Racing School.

The competition schedule would include the traditional Concours, a Peoples Choice Car Show, and a funkhana, all at the hotel. A rally of a scenic and rather uncongested local area and record and possibly ET drags at a near-by dragway round out the program.

Entertainment

Entertainment would abound with quality and talent. Something special would be scheduled each evening, with at least one night off-site and the traditional awards banquet on Friday evening.

Most of the entertainment would reflect our close proximity and connection to Walt Disney World by providing quality talent musicians, comedians, and magicians, for example. In addition, there could be a wine-tasting party, tickets to Pleasure Island or some other equally good entertainment mecca, a Disney character meal...and the list could go on. We would work closely with the Disney representative at the Wyndham to coordinate much of this entertainment. Obviously, the choices are nearly endless and grow daily.

What we are proposing is a vacationing experience with NCCC. Our intent is to provide top-quality competition, entertainment, and lodging along with good old-fashioned southern hospitality—where *it will be all about you*.
