

Announcing the NCCC/Muscular Dystrophy 1977 Corvette Raffle!

Shown at the right, you will find the stubs for five raffle tickets. These are your chances to win a fully loaded (except aluminum wheels) 1977 Corvette! The tickets sell for \$5.00 per ticket, or \$20.00 if you buy all five. All proceeds from this raffle, over and above the cost of the Corvette, will be donated to the Muscular Dystrophy fund, so the cost of the tickets is considered a donation and is therefore tax deductible.

To submit your entries in this fabulous Corvette giveaway, follow these simple instructions:

- Fill out any or all of the tickets, completing **all** the information asked for. Be sure to **print clearly** and include such things as zip codes, phone area code, etc.
- Make out a **check** in the appropriate amount, payable to **NCCC/MD Treasurer**. No need to be certified, etc. After all, if the check bounces you don't win the car!
- Send the **check** and the **ticket stubs** to **Mr. Roger Clancy, MD Treasurer, 4296 Oak Knoll Dr., Youngstown, Ohio 44512**. Please don't send them to any of the other NCCC addresses, as it will only confuse matters.

The drawing is scheduled to be held at the Awards Banquet at the 1977 NCCC Convention in Dallas, Texas, Friday evening, July 22, 1977. However, we **must** sell 2,000 tickets minimum to cover the cost of the car. That's about one ticket for every four NCCC members. Keep in mind, you **must** be a NCCC member to enter this raffle at this time. If, by some strange chance, the minimum sale quantity is not reached, these tickets will go on the open market from July 23 to August 28, and the drawing will be postponed until the Saturday night of the NCCC North Sectional, September 3, 1977.

If you wish to buy more than the five tickets enclosed, simply make your check out for the appropriate amount and include a note indicating that more are desired and Roger will fill out additional tickets from the information provided.

So, do it now! Send your entries right away as shown above, and you could be the proud owner of a brand new 1977 Corvette! And, the money goes to a good cause — Muscular Dystrophy!
