

60th NCCC CONVENTION – DENVER 2019

The Rocky Mountain Region has lots of fun things planned for you and some great venues for competition. Denver and the surrounding area is a wonderful place to visit, with something to offer everyone, no matter what your interests are. We are close to the mountains with their beautiful scenery, historic mining towns, resorts, casinos and curvy roads just perfect for cruising in a Corvette.

If you want to stay in the metro area, you can catch a Rockies baseball game, a play at the Denver Center for the Performing Arts, or any number of concerts in the area. We have an incredible Museum of Nature and Science with an Imax theater where you can easily spend an entire day, but you'll want to reserve some time to visit one of the country's best zoos, which is right next door. The Denver Botanical Gardens and the Butterfly Pavilion are also great places to visit. Downtown Denver offers amazing places to eat, dozens of craft breweries, and plenty of shopping. Our host hotel offers shuttle service to the nearby light rail station, which will take you downtown in minutes.

For our competitors, we have secured the NHRA dragstrip at Bandimere, the 2.5 mile high speed road course at High Plains Raceway, and space at Front Range Airport for the low speed. Car shows will be indoors at the host hotel. Our rallye will be fun and won't fry your brain. An added bonus for racers: High Plains has open track days on Fridays, so if you want to get in a practice day on July 5th, go to their website at <https://highplainsraceway.com/drive-the-track/open-lapping-days-information/>. This would be up to individuals and is not part of convention. However, the hotel will honor our room rate for 3 days prior and 3 days after convention, and we will open convention tech and registration for a couple of hours Friday afternoon and on Saturday for early arrivals.

Convention registration opens at 8:00 a.m. Central Time on Saturday, February 2, 2019. Please read the "Hints for Completing the NCCC Convention Registration Form"! It should answer most of your questions and will save you a lot of heartburn. It's a good idea to print it out for reference as you fill out the form. You cannot make changes to your registration once it is submitted. You have to contact the Convention Treasurer to do that so she can confirm the correct amount has been paid.

Room reservations are not on the Convention registration form. Starting February 11, you will be able to call the hotel to make your reservation. You will be required to provide your convention number which is assigned to you by the Convention Treasurer once she has confirmed payment is received. PayPal confirms payment right away, so is your best choice for method of payment. You do not have to have a PayPal account to use it for convention. Your convention number will be on the confirmation the Treasurer sends you. Please, please, please click on the link provided on the confirmation (where it says [here](#)) to see your confirmed registration and ensure that you are registered for everything you want. If you have questions or corrections regarding registration, email the Convention Treasurer at convention2019@corvettesnccc.org. Please be patient the first few days. There will probably be about 400 registrations received on the first day alone, so it will take her some time to work through them all. This email address goes to the Treasurer and should be used only for registration related communication. Other questions should be directed to the 2019 Convention Directors through the link on the NCCC website.

Our goal is for everyone to have a great time in Colorado as we celebrate NCCC's 60th Anniversary in the Mile High City of Denver. We hope you will join us!

Cindy Urenda & Lorren Loewen, Convention Directors
Betty Parks, Convention Treasurer and the
Rocky Mountain Region Convention Team
