

FCOA MEMBER #1400 ~ ~ ANNA

Anna became FCOA member #1400 in May when her Dad & Mom mailed in her application along with those for several of her cousins. Her parents, Pete & Carol, have been members of Windy City Corvettes in the Midwest Region for 3 years. Their Club has recently overloaded FCOA's mailbox with applications after they had a very successful FCOA membership campaign!

Anna is pictured here with their first Vette, a silver 1998 coupe. I met her for the first time this past Memorial Day at some Autocrosses in Utica IL ~ she looked like she was having a great time! She attends several Speed Events and Rallyes with her parents when she can but her favorite Corvette activity is the Route 66 Corvette Show in Joliet IL each June.

This active 11 year old keeps herself very busy with Girl Scouts and a variety of sports around her hometown of Naperville IL. Anna will start 7th grade in fall where she'll enjoy science class and dread English. Her favorite color is purple and she loves leopard print! Like most young girls she looks forward to shopping and likes to listen to music.

Congratulations, Anna, for being FCOA member #1400!
