PRESIDENT'S MESSAGE MARCH 2018

March is the start of spring and things happening in the Corvette world. As the weather begins to warm we start to bring out the Corvettes more and more. Drive-outs start, cruises start, and “cars and coffee” events happen which have become a very popular thing to do on Saturday mornings. All kinds of cars attend these events, usually beginning around 7 AM and over by 10 AM. This is a great way to meet and make new friends.

If we only had more time to do all the things we would like to do? Did you know that most of us live an “eight day week”? When I was younger I use to say my mother played golf eight days a week. She was always on the golf course chasing that little ball. The Beatles sang a song about “eight days a week”.

The eight days a week are: Sunday, Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, and SOMEDAY! Is our life so busy that we put things off many times until SOMEDAY? What are we missing? What have we NOT done we would have liked to?

SOMEDAY is kind of like later on....or tomorrow. I remember years ago walking into a bar and the sign said: “drinks are free tomorrow”. Trouble is tomorrow never comes because returning the next day, their “drinks are free” again “tomorrow”.

The great tragedy in life is that SOMEDAY is never part of any week. SOMEDAY never comes at all. Because SOMEDAY never comes, many of the wonderful things in life are missed and never experienced!

The members of NCCC are some of the best of the best people in this world. Many clubs and their members plan and host all kinds of events from meetings, drive-outs, dinner cruises, cars and coffees, car shows, rallies, autocrosses, parades, conventions, tours, and a host of other events too many to list. Within this group we get to know each other and become friends who care about each other. NCCC is a special caring group of members.

So, what do you plan to do SOMEDAY, or tomorrow, or later? I have said it before; each of us only has so much TIME to spend. We can always get more money, more cars, eat more, sleep more, and sit around more. We can never get more TIME or health.

I encourage you to get involved, look at your club calendar, check out the national event calendar, and find something to do with your time, your Corvette, and your life. When it's over.... it is over, there is no turning back. Make the most of what we have NOW and enjoy all you can. It is kind of like sunbathing: you can't get very tan in the night. You have to tan in the daytime, unless you have your own tanning bed.

The third month of 2018 is here. Make the most of your time doing something on the “EIGHTH DAY OF THE WEEK”! I know for sure you will enjoy it making memories.

Take care, be safe, call a friend, hug someone, tell someone you love them, and life will be better for you. And always be thankful for what you have.

God Bless you all!
