

PRESIDENT MESSAGE JUNE 2016

As I sit here writing this June report, it was almost 90 degrees in the Midwest today. Spring is ending and summer is on its way here. I have some exciting news to share with everyone.

The 2017 NCCC National Convention is back August 21st through 25th, 2017 and heading to Bowling Green, KY home of the National Corvette Museum, Motor Sports Park, and GM Corvette Factory for a week of fun.

Coming soon July 17th through the 22nd 2016, the NCCC Convention is in Omaha Nebraska. There is still time to sign up for this event. Contact Convention Director Gene Gau or Treasurer Bernyce Molenda and they can sign you up to attend all the activities planned for the week. Check the NCCC Website for info and contact information.

Here is the exciting news. NCCC's new Director of Charity is **Michele Cantelmo** who will start NCCC's new raffle program to win a certificate for a new Corvette. You pick where and what Corvette you want, and NCCC sends a certificate to the dealer of your choice for \$54,000.00. Not bad...however, if you need cash, NCCC will give you \$40,000.00 cash instead. Only 2000 tickets at \$50 each. Good odds! Check the NCCC Website application under Charity to obtain tickets.

The NCCC Officer Report for June is from VP of Membership Steve Johnson. Below Steve's report is a sample the new raffle ticket and a message from the new Director of Charity Michele Cantelmo.

Enjoy the summer. It only comes once each year. Remember, we can't change the past, so make the most of your future and get involved doing things with your Corvette.

NCCC Director of Charity Message June 2016

I am excited to take this opportunity to introduce myself to members that may not know me. My name is Michele Cantelmo and I am currently Treasurer of my local club High Point Cruisers in Montague, NJ, and Secretary of the East Region NCCC. I have been an NCCC member for 22 years, and recently ran my first auto cross and thoroughly enjoyed it!

At the April National Governors Meeting, Dave Heinemann appointed me as Director of Charity. I am grateful for this opportunity to serve NCCC and to expand my charitable work on a National level.

Many exciting things have happened with NCCC Charity Program since the April 22nd meeting. In April, Governors voted for their Charity of choice and St. Jude Children’s Research Hospital was chosen. NCCC is now registered with St. Jude.

I would like to introduce you to our new raffle system. I, Betty Parks and Betty’s niece who helped with the graphics created a new raffle ticket. For \$50 you can take a chance to win \$54,000 to put towards a new Corvette or take \$40,000 in cash. Proceeds will also be awarded to St. Jude. The drawing will be at the November 12th, 2016 National Governors Meeting. An example of the ticket is shown below. Tickets will be sold at Bloomington Gold, 2016 Convention in Omaha, Mid America Funfest, Corvettes at Carlisle, September National Governor’s Meeting, and November National Governor’s Meeting. A Raffle Order Form is posted under the Raffle Link on our website for those members who will not be at these events and want to order tickets.

No child is denied treatment. Families never receive a bill for treatment, travel, housing or food. Children from all 50 states and from around the world have been treated. Treatments invented at St. Jude have helped childhood cancer survival rate from 20% to more than 80% since it opened more than 50 years ago. • www.stjude.org • a 501(c)(3) not-for-profit organization</p>

We are all blessed as Corvette owners and enjoy the fellowship and competition of NCCC, but it is our desire to be charitable that makes this a special unique organization. Additional information about the Charity Program will be available in the August issue of Blue Bars.
